

Curriculum Vision

At The Featherstone Academy we seek to empower students to be able to make informed and impartial career choices. The careers support we offer is tailored to our academy needs and the context of the academy and is reviewed annually to ensure our students can develop their knowledge, skills understanding and requirements they need to progress onto their next steps.

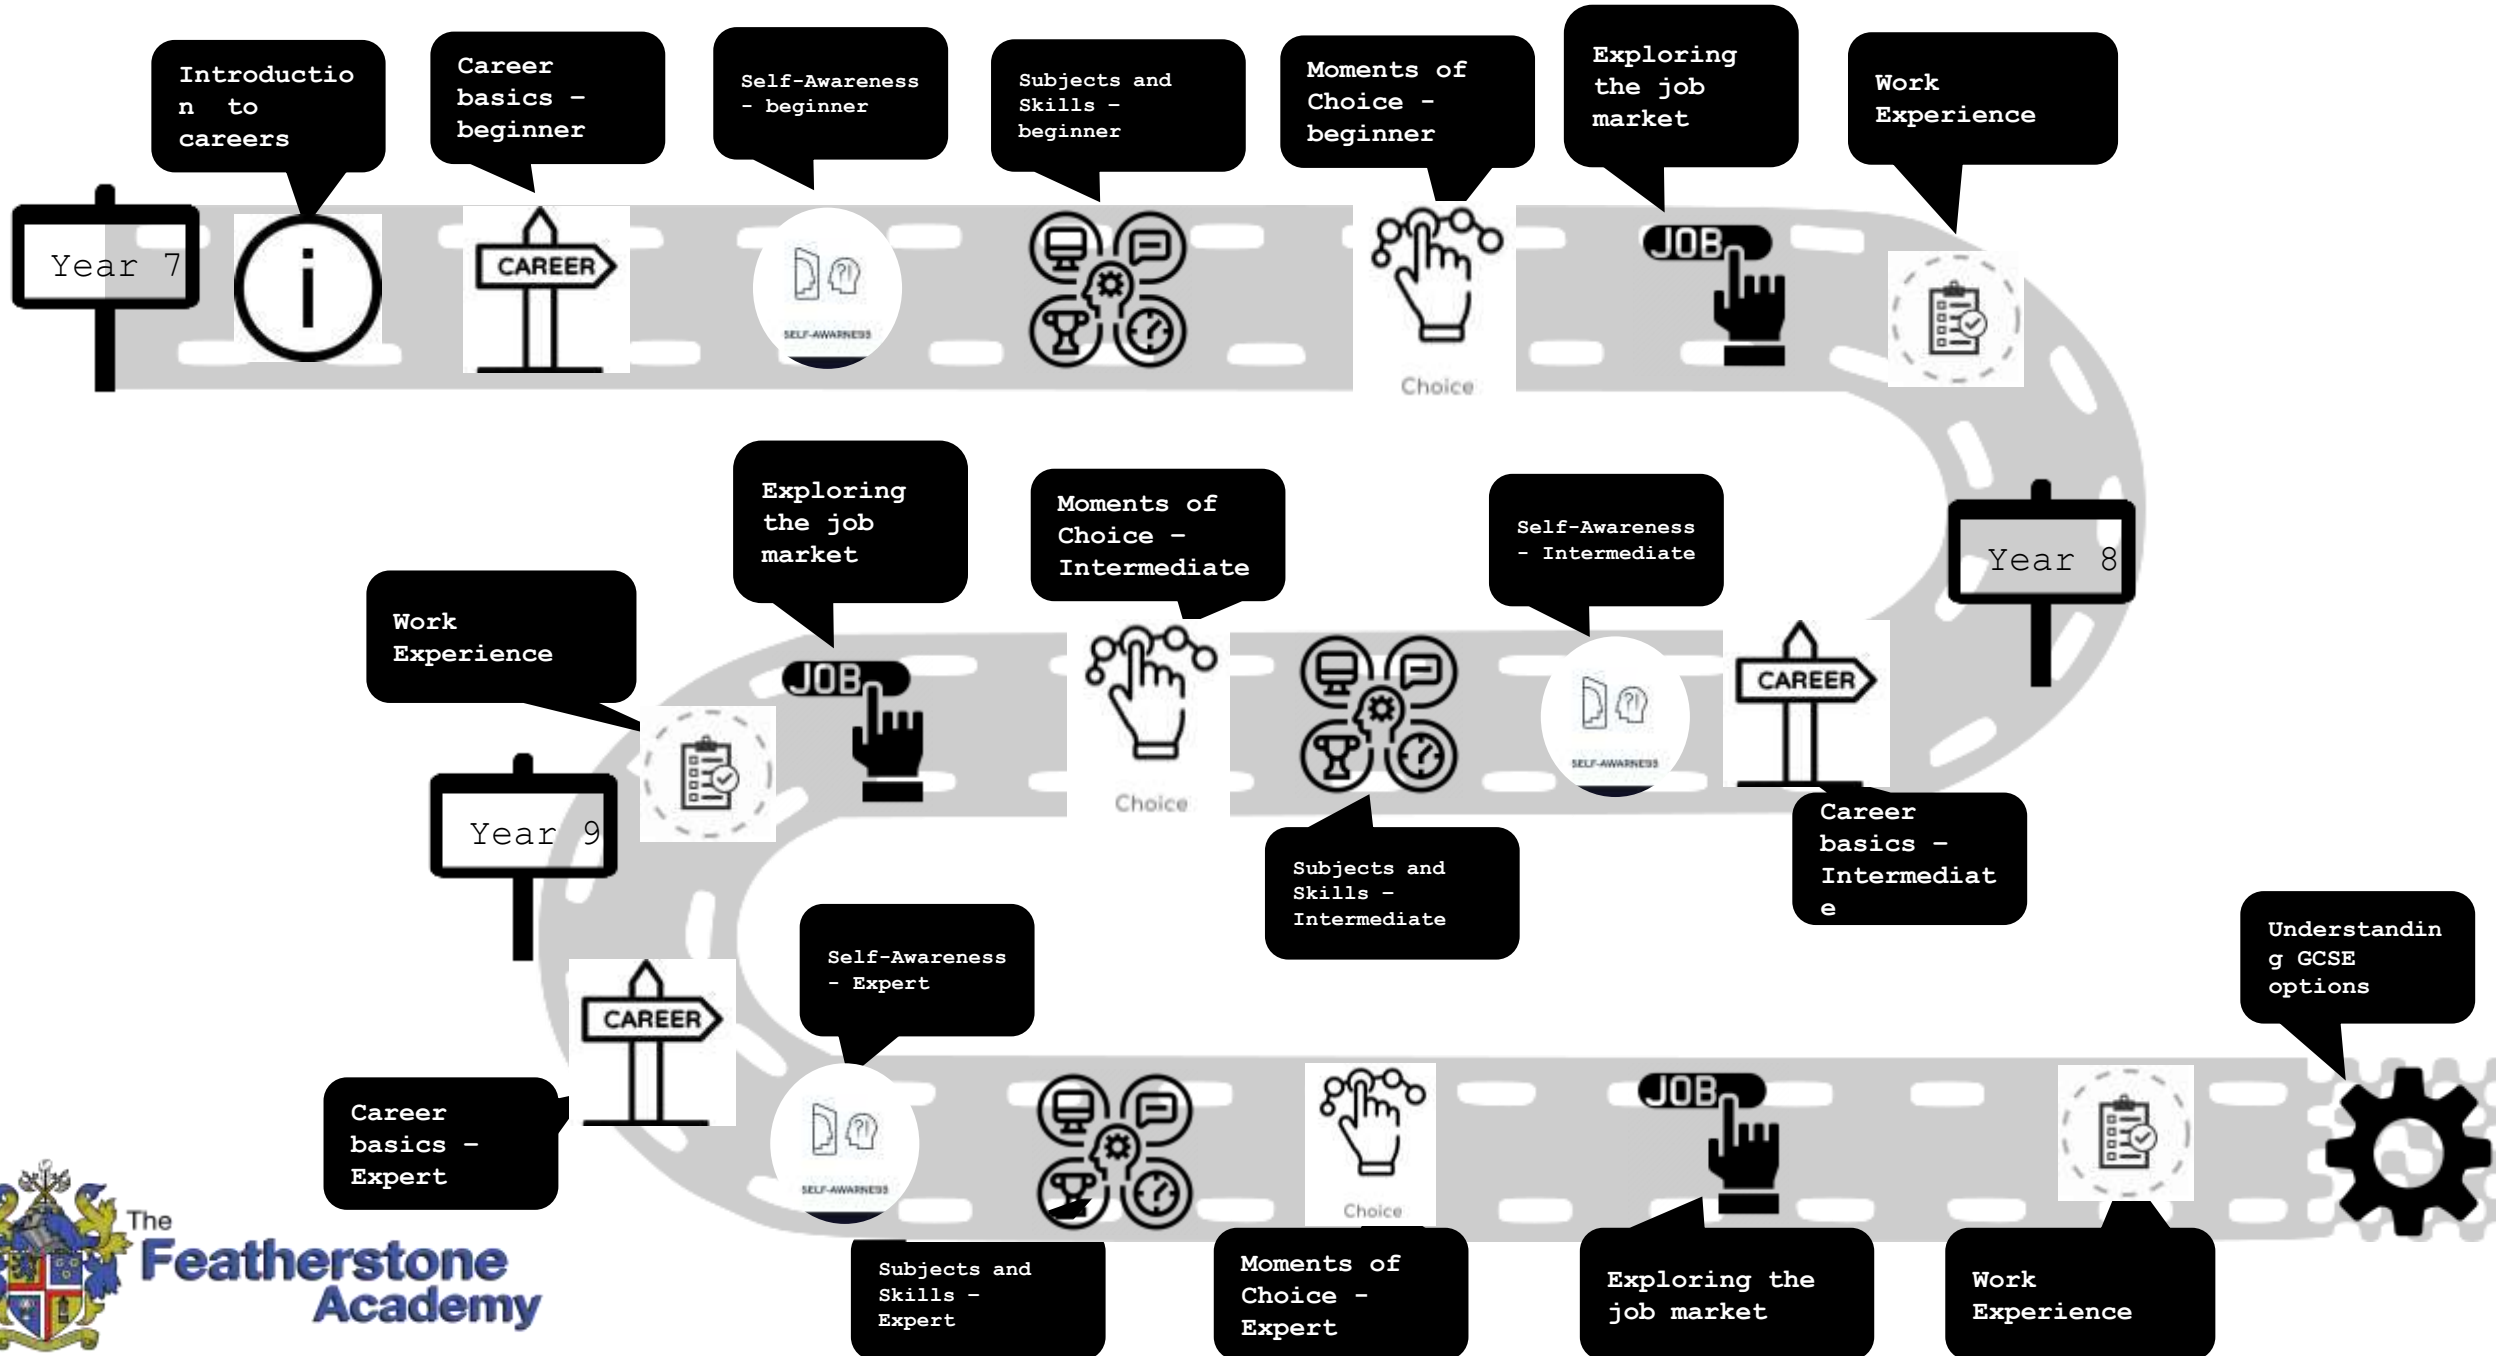

Using the Gatsby Benchmark and START Profile programme, our careers curriculum offers beginner, intermediate and expert knowledge of what post-16 study looks like, along with offering advice on life after education in the work place.

The 8 Gatsby benchmarks are below:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each student
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experience of work experience
7. Encounters of further and higher education
8. Personal guidance

Implementation takes place during Form Time along with in subject areas. Students also receive assemblies using the most recent LMI. These take place during National Careers Week.
